SANTINT

WHERE INNOVATION MEETS PRECISION

AC10

Semi-Automatic Dispenser

Optional Base

Comes standard with PA 10+6 and 90 canisters

Error Free Operation

- Smart barcode scanning prevents mix-ups, stopping dispensing if the wrong canister is loaded.

High Accuracy

- Minimum shot of .015g
- 100% recirculation technology
- Intelligent cleaning

Easy to Use

- Simply retrieve formula
- Indicate amount desired
- Place paint cup and click dispense
- Follow the prompts to place the canisters and click "Dispense"

High Functionality in a Compact Design

- The AC10 integrates a computer desk, dispenser, blending table, and storage cabinet in a small footprint.
- Powerful functionality and repeatability brings automatic paint dispensing to even the smallest body shops.
